

God Keeps His Promises
Wall Hanging Stars

1. You will need an 8 1/2 x 11 piece of blue card stock, two large craft sticks, some ribbon or yarn, and some stick on stars.

2. Print the stars on paper or card stock. Cut out the stars.

3. Cut the piece of blue cardstock in half (5 1/2 x 8 1/2)

4. Glue or tape a piece of yarn or ribbon in a loop to the top of the cardstock. Glue a large craft stick over the yarn or ribbon at the top. Glue a large craft stick to the bottom of the card. Now glue the stars on so they read "God Keeps His Promises." Glue several shiny stick on stars to finish. This is a good craft to use with the story of Abraham.
