Fun Hawaiian Lei

pattern for paper flowers
(optional)

Materials:

- 1 package solid-colored drinking straws
- construction paper
- yarn
- scissors
- hole punch

Directions:

1. Cut drinking draws into 1-inch lengths.
2. Cut flower shapes from construction paper, using colors of choice. Use the above pattern, a custom outline, a flower cookie cutter, or a die cut as a guide.
3. Punch a hole in the middle of each flower.
3. Cut yarn to desired length and thread on straw pieces and flowers, alternating. Tie when complete.
