

Pine Cone Santa Claus

This simple craft turns a simple pine cone into an adorable holiday decoration! Using some simple craft materials and a hot glue gun, this craft would make a lovely addition to the mantle or other key point of holiday festivity in the home.

Click on the link below to view and/or print out directions and a full-size picture of this craft project.

Tip: Have the kids write their names and date on the wood surface before you glue on the pinecone that way it is a lasting keepsake and decoration and in their own handwriting.
