Clothespin Butterfly

Materials:

- 1 clothespin
- 1 coffee filter
- 1 pipe cleaner
- watercolor paint set
- glue or staples (optional)

Directions:

1. Freely paint coffee filter with generous brushloads of watercolor paint, soaking the entire coffee filter until vibrant. Allow to dry.
2. Twist pipecleaner around the clothespin, forming antennae.
3. Twist colored coffee filter and pinch in the middle, forming wings. Clip in place, or in the case of a non-spring clothespin (as pictured above), glue and/or staple into position.
